To Whom It May Concern:

It is with very great pleasure that I write this recommendation for Ms. Annette Lee to support her application for your company.

I am a Japanese language teacher in California, and worked with Ms. Lee on penpal letter exchange projects while she was working for junior high schools in Japan. Ms. Lee was an eager educator, and always thought students first. Both of her students and my students really enjoyed the experience and got motivated to communicate in English and Japanese.

I would recommend that Ms. Lee be accepted into your company. I believe you will benefit by adding Ms. Lee. I wish her great success.

If you have any additional questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Rie T. Feroz".
